The DHC's letter at p.1 cf, Dept's note on page 2 above and the draft order on p 1 above may be perused.

2/ In the circumstances explained, the draft order on p 1 above may be accepted, subject however to the following remarks:-

It would appear from the portion marked X in the draft order, on page 1 above, that the staff, including the fifteen grafting labourers, are to be employed for a period of 3 years. Actually, grafting is to be done only for a fixed period of 3 months, in a year. It would, therefore, be sufficient to sanction the employment of these 15 grafting labourers for a period of 3 months for each year. Development may be requested to make this clear in the draft order.
